Important: Please read this Electronic Services Agreement (“Agreement”) before using Burkett Asset Management Limited’s (“Burkett Asset Management”) website to access your Burkett Asset Management account(s) online. Your use of the Services (as defined below) will indicate that you have read this Agreement and accept and agree to be bound by the terms and conditions herein. If you do not agree to be bound by or comply with this Agreement, do not access or use the Services.

Services – In consideration of Burkett Asset Management granting me use of Burkett Asset Management’s Electronic Services (“Services”), I agree with Burkett Asset Management that the terms and conditions in this Electronic Account Information Services Agreement (“Agreement”) will govern my use of the Services. The Services include electronic online access to my Burkett Asset Management account information through the Burkett Asset Management website as well as other information relating to my account(s) that Burkett Asset Management may make available.

Terms of Access – My use of the Burkett Asset Management website to access the Services is governed by this Agreement and the Terms of Use of the Burkett Asset Management website. By using any of the Services or by clicking the “I agree” button below, I agree that I accept and agree to be bound by the terms and conditions in this Agreement as amended from time to time. Burkett Asset Management may amend and change the terms and conditions in this Agreement from time to time in its sole discretion without notice by updating this Agreement on its website. Any amendments, changes, modifications or additions to, or deletions from, this Agreement shall be effective upon posting on the Burkett Asset Management website. My use of the Services after any such updating will indicate that I agree to the changes that are made to this Agreement.

Responsibilities of Access – I shall be the only authorized user of the Services under this Agreement and shall only use the Services for my personal, non-commercial purposes. I understand Burkett Asset Management will assign me a login name and temporary password to access the Services, and that I will then change the temporary password to my own personal, confidential password (the “Passwords”). I shall be solely responsible for the confidentiality, security and use of my Passwords. I will not disclose my Passwords to any other person and will keep them separate from any other information which I will receive or which I already possess concerning the Services and take every reasonable precaution to keep them confidential. I will update my Passwords as I may be instructed by Burkett Asset Management or otherwise from time-to-time. I agree to immediately notify Burkett Asset Management when I suspect that my Passwords may have become known to any other individual, or otherwise lost, stolen or

wrongfully accessed. Burkett Asset Management shall not be responsible for the unauthorized use of the Services by any other person using my Passwords. I understand that I shall be solely responsible for the monitoring of my account, and the use of any data, information or services obtained using my Passwords.

Abuse of Access – I will not use the Services for any illegal or fraudulent purposes or take any steps which could undermine the security or integrity of the Services. I will not attempt to enter restricted areas of Burkett Asset Management's computer system or the computer systems of any entity related to or affiliated with Burkett Asset Management or to perform functions in respect of such computer systems that I am not authorized to perform pursuant to this Agreement. Burkett Asset Management may, in its absolute discretion, without notice, suspend my access to the Services by deactivating my Passwords or otherwise for any reason if Burkett Asset Management suspects that I am using the Passwords to obtain unauthorized access to other systems or information, or in any other manner not specifically permitted by this Agreement. Any suspension will be for such period of time as Burkett Asset Management determines in its sole discretion to be necessary to permit the thorough investigation of such use. Burkett Asset Management may terminate this Agreement immediately without notice if it determines in its sole discretion that I have undertaken unauthorized activity or Burkett Asset Management's concerns with the use of my access to the Services cannot be reasonably explained.

Confidentiality – I acknowledge that all information available through access to the Services, including but not limited to the databases thereon, and the selection, coordination, and arrangement of the contents thereof (collectively, the "Confidential Information"), is confidential and proprietary to Burkett Asset Management. I agree to keep such Confidential Information confidential and to utilize such Confidential Information solely for my own personal, non-commercial purposes.

Amendment and Termination - I understand that Burkett Asset Management may modify any or all of the Services at any time in its sole discretion and that the Services may periodically be unavailable to me in order to allow for maintenance and updates, as well as due to external events that may make internet-based or other online services temporarily unavailable, including, without limitation, inclement weather, power outages, and other service interruptions. Burkett Asset Management may terminate the provision of any of the Services in their entirety upon providing notice to me via mail, telephone, email, fax or website posting.

This Agreement is in addition to and not in substitution of any other present or future agreement between Burkett Asset Management and me, including any agreement relating to my Burkett Asset Management Account(s) or the Services or the Terms of Use of Burkett Asset Management's website. If there is a conflict or inconsistency between this Agreement and other agreements I have with Burkett Asset Management: (a) this Agreement will prevail regarding my access to my account information on the Burkett Asset Management website, and (b) the investment management (or other like)

agreement between Burkett Asset Management and me regarding my accounts generally will prevail regarding all other matters.

If any provision of this Agreement is found to be unlawful, void, or for any reason unenforceable, then that provision shall be deemed to be severed from the rest of this Agreement and shall not affect the validity and enforceability of any remaining provisions. No consent or waiver by either party to or of any breach or default by the other party in its performance of its obligations under this Agreement will be deemed or construed to be a consent to or waiver of a continuing breach or default or any other breach or default of this Agreement or any other obligations of that party. No consent or waiver to this Agreement will be effective unless in writing and signed by both parties.
